Dear Mr Colborne,

As a resident of Heathcourt, I would like to commend your team of painters for the way they have worked for the last few months. Led by Chris, whom I can't praise highly enough, they have been courteous & considerate at all times & I have never seen them slacking in their work. I am also most impressed that they spend time cleaning up after working in an area.

Please convey my appreciation to Chris & his team & I wish them all the best in the future. Should any future client require a recommendation, I will gladly oblige.

Sincerely

Val Dunn
